The contents and information on the catalogue is for general purposes and is provided on "as is" basis. The recommendations of level of strength are relative and completely depend on the nature of tools used for any attack. All safes can be broken open given sufficient time, tools, torch (basic or simple home tools), expert skill and access. All warranties, recommendations and representations of any kind mentioned herein are disclaimed, including the implied warranties of merchantability and fitness for a particular use. The company disclaims any claims, losses, demands or damages of any kind whatsoever arising out of or resulting by reason or in consequence of any illegal breaking open of home/office safes, video door phones, burglar alarm systems, or any theft, fire, robbery, fraud or other wrongful act done by any third party with regard to home/office safes, video door phones, burglar alarm systems including but not limited to direct, indirect, incidental, or consequential loss or damages, injury, economic loss, or otherwise resulting from theft, fire, robbery, fraud or other wrongful act done by any third party. The specifications, prices and features of the product may be changed at the sole discretion of the company without prior notice. Reference to strength as 10X/100X/250X stronger is based on controlled in-house tests. Reports of tests are available on request.
